There is reserved parking for Yellowstone Counseling Center clients at the top of the Hart Albin Parking Garage located on North 29th St between 2nd and 3rd Avenue North. Twenty-ninth is a one-way street going north. After you cross 2nd Avenue North you will see a skybridge going across the street. The entrance to the parking garage is on the right-hand side located directly under the skybridge. Go to the very top of the parking garage (the 11th level) and you will see parking spots reserved for YCC clients. You can park in any one of these spaces.

From the 11th level, walk down to the 9th level skybridge. Walk through the skybridge and through the double doors. Our office is straight ahead-Suite 423.
