**Fees: Initial appointment \$180.00; 50-minute sessions \$150.00; Group Therapy \$60.00 for each session. Please remember that insurance coverage is a contract between you and your insurance company. If your insurance company does not pay for your services in our office, you will be responsible for the balance.** In addition to weekly appointments, it is our practice to charge on a prorated basis for other professional services you may require such as report writing, telephone conversations which last longer than 10 minutes, attendance at meetings or consultations with other professionals which you have authorized, preparation of records or treatment summaries, or the time required to perform any other services which may be required.

**If you are not covered by insurance or are self-pay, you are required to pay in full at time of service. Payments paid in full will receive a 5% discount.**

**Appointments must be canceled 24 hours in advance to guarantee there will be no charge. Failure to cancel or show for appointments will result in a regular charge for the sessions. When sessions are late cancelled or missed it prevents others in need from being served. Repeated missed appointments or late cancellations may result in referral to another therapist. A service fee of \$35.00 will be added for all checks returned for insufficient funds or closed accounts.**

**I authorize the release of any medical or other information necessary to process this claim. I agree to the conditions above and authorize my insurance company to pay directly to Yellowstone Counseling Center.**
